BRYANSTON SUBJECT MASTERCLASS - TUESDAYS IN THE AUTUMN TERM

Dear Parents / Carers

As a school we have the exciting opportunity to go to Bryanston School to take part in a series of Art Masterclass sessions. The children will work with a specialist art teacher as well as GCSE students. We will be able to take advantage of their resources, grounds and equipment. They will cover 'drawing tours' which will explore architecture, botanical studies among other focuses. The children will participate in small groups at a time, so each child will attend one session. The children will be visiting on a rota system so the children will either be staying with the other class teacher, or going to Bryanston on their Tuesday afternoon visit. Bryanston are providing a coach to pick us up and drop us back.
