Dear Parent / Carer

Survey about sport and physical activity for children and young people

Our school and Sport England would like to find out about the sports and physical activities our pupils take part in, both in and out of school. The information collected will be used to:

- **Provide a report to our school** to help us understand what our pupils are doing and what we can do to support them
- **Help Sport England invest** in opportunities for children and young people to take part in and benefit from sport and physical activity.
-

WE NEED YOUR HELP TOO

Our school and Sport England would also **like you to complete an online survey about your child**. It will take about 10 minutes. The survey is anonymous. It's important that a range of parents take part no matter how much activity their child does. You can complete the survey on a computer, laptop, tablet or smartphone. Please use the link below to access the survey. **The survey must be completed by Thursday 5th December.**

GO TO WEBSITE TO COMPLETE THE SURVEY:

<https://ipsos.uk/URKWZDU>

Please complete this survey thinking about your child in Year 2.

You may find it helpful to complete the survey with your child.

Sport England will give our school credits worth £10 to spend on equipment for every parent who takes part.

The surveys are hosted by Ipsos, a research organisation. Ipsos will store all information securely and keep it confidential.

For further information or if you have any questions please contact me. We hope that you will be able to take part in this important study. Thank you in advance for your help.

Many thanks
