

Aim high, believe; Fly high, achieve.

13th March 2025

MATHS MATTERS CONFERENCE YEAR 6 - FRIDAY 21st MARCH 2025

Dear Parents/Carers,

Year Six have been invited to attend the Maths Matters Conference at The Blandford School, on Friday 21st March. It is an opportunity for children to share their knowledge of Maths and participate in some different maths related activities with other pupils from Blandford schools.

We will be leaving shortly after 9am on that Friday and will be returning to school after lunch. Children will need to wear normal school uniform. Whilst there, pupils will have the opportunity to use the 'Hub' to buy their lunch. We have been advised that a cooked meal with a dessert is approximately £3 (this does not include a drink), but from experience, children tend to prefer separate items (such as pizza slices /cakes), which is more expensive. In this case, we advise that your child brings between £3 and £5. Alternatively, they are welcome to bring a packed lunch.

Children currently entitled to Free School Meals can be provided with a packed lunch on request, which must be ordered on-line through Local Food Links.

We shall be taking the emergency contacts that the office hold for that day, so please ensure your contact details are up to date.

We look forward to another successful conference.

Yours sincerely,

Mrs J Barber / Mr Green
Year 6 Class Teachers
