Reception Home Learning

Dear Parents/ Carers,

Welcome back for the Spring Term. The children have settled back in really well and are ready to take the next steps in their learning. Thank you for your support in their reading, this really makes such a positive impact for your child. We would like to update you on our home learning for this term.

Spelling

Children will bring home 3 spellings each week, which will often be common exception or high frequency words. Please help your child to learn to spell and write these. We will check these in class each week during our phonics lesson.

Reading

Please read with your child daily and ensure their book is in school each day. Children should be blending the words and reading back the whole sentence. Your child will also bring home cards to practise any sounds that they are still learning. In addition to this, your child will have a set of word cards to read.

Home learning plays a vital part in your child becoming a reader and a writer. Studies have shown that children who read at home are more successful and make faster progress than those who do not. We appreciate your support in this. If you have any queries please speak to either of the Reception class teachers.

Kind regards,

Mrs Eyres and Mrs Lang
EYFS Class Teachers
